

A decorative border surrounds the central text area. It features various blue and white snowflakes of different sizes and shapes. In the bottom-left corner, there is a cartoon snowman wearing a black top hat, holding a broomstick, and having stick arms. The background is a light blue gradient with a subtle pattern of white dots.

Digital Inking and Microsoft Edge

What is digital inking? Digital inking allows tablet users to “write” directly on whatever application is open. Stylus pens make inking easier than ever before. Inking is also possible when using a mouse or finger in some applications. Watch the [tutorial videos](#) at the Empower Students YouTube channel to learn more about inking.

The Edge Internet Browser was designed for Windows 10. In the classroom, Edge offers several features to increase efficiency and engagement. Teachers can use Edge to clean up text, highlight, and pinpoint key ideas for students when instructing.
